In answer to many requests for special registration, according to statute at schools, colleges, and nursing homes, extra sessions were conducted to satisfy these requests.

Physically disabled: In accordance with the provisions of chapter 196 of the Acts of 1946, as amended, persons qualified to vote but who were unable to appear at a registration office because of a physical disability were examined in their homes or other places of confinement upon receipt of an application for such registration. Persons so registered or found on the voting list were furnished with an application for absentee ballots.

NUMBER OF VOTERS

At the City Election held on November 8, 1977, the number of voters on the list was 249,907. The number of voters on the first list published by the Board for 1978 was 214,214. From that time to the close of registration for the State Election, there were added the names of 35,775 voters. Included in this figure are the names of 5,290 who were restored to the voting list without registration under the provisions of chapter 244 of the Acts of 1947, as amended, and chapter 555 of the Acts of 1973, as amended. The number of voters on the day of the State Election held November 7, 1978, was 249,989 an increase of 82 above the number of voters on the list preceding the City Election. From this figure the names of 1,974 voters were removed from the list because of deaths and removals from the city. The number of voters on the final list was 250,291.

NOMINATION PAPERS, REFERENDUM, AND RECOUNT PETITIONS

The Board received 7,000 nomination papers for the State Primaries on which 168,138 names were certified; 209

referendum petitions on which 3,356 names were certified; and 41 recount petitions for the recount of ballots cast in the State Primaries on which 480 names were certified. This made a total of 7,250 papers filed on which the names of 171,974 voters were certified.

RECOUNTS

A recount of votes cast in the State Primaries for the office of Representatives in the General Court in the Third and Sixteenth Suffolk Districts was held on September 28, 1978.

REVISION OF THE VOTING LIST

The names of 4,851 voters were stricken from the voting list by reason of death, removal from the city, and other causes.

JURORS

The jury list prepared by the Board in 1978 contained the names of 9,337 residents of Boston. During the time covered by this report 6,501 names were drawn for jury service.

AMERICAN PARTY

At the State Primaries held September 19, 1978, no candidate received enough write-in votes in the American Party to be nominated for governor. As a result the American Party lost its status as a major political party.

GREATER ROSLINDALE HEALTH ORGANIZATION ELECTION

An election was held on Monday, October 16, 1978, from 1 P.M. to 8 P.M. at the Roslindale Municipal Building on Cummins Highway.

ABSENTEE VOTING

Absentee voting applied to the State Primaries and to the State Election in accordance with chapter 632 of the Acts of 1968, chapter 920 of the Acts of 1971, and chapter 123 of the Acts of 1966, regulating the method of processing and counting of absentee ballots made it mandatory

that after processing and examination of the affidavits in the central office is completed, the absentee ballots must be sent to the precinct polling places to be cast and counted. Then the said count of absentee ballots cast was to be added to the count of the votes cast by the use of the voting machines in order that the precinct total could be recorded and reported at the precinct level.

Chapter 267 of the Acts of 1975, allowed that absentee ballots received on election day shall be processed and examined in the central office and may be counted at the office at the hour of closing of the polls. After the canvass and the count has been completed, each precinct tally sheet, official returns book, and check list shall be amended when delivered to the central office.

Chapter 368 of the Acts of 1966, further regulating absentee voting made it possible for a registered voter who would be absent from the city on the day of the election and who had no mailing address outside of Boston to which a ballot could be mailed and seasonably returned in time to be sent to the polling place before the closing of the polls on election day, to receive a ballot in hand and vote by such ballot in the central office before he departed from the city.

Set forth below are statistics relating to absentee ballots for the State Primaries and State Election, 1978.

**VOTES CAST ON PROPOSED AMENDMENT TO THE CONSTITUTION
STATE ELECTION, NOVEMBER 7, 1978**

**Question No. 1
Property Classification**

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and Senate on May 28, 1975, by a vote of 220-53, and on September 7, 1977, by a vote of 243-20?

SUMMARY

The proposed Constitutional amendment would permit the legislature to establish as many as four different classes of real property for tax purposes. Property in any one class would be required to be assessed, rated, and taxed proportionately but property in different classes could be assessed, rated, and taxed differently. The legislature could grant reasonable exemptions. The Constitution presently requires all property (other than wild lands, forest lands, and certain agricultural and horticultural lands) to be assessed and rated equally at full value for tax purposes.
